

# The Coxhoe Bag!

We want to create a reusable canvas bag with a design similar to the Sedgefield bag pictured on the right, but obviously ours would feature pictures of Coxhoe, not Sedgefield. We believe these would be appealing to parents and the wider community and they will be on sale later this school year. This half term holiday we challenge you to draw a picture of a feature of Coxhoe that could appear on the bag. We'd love to have a picture of the school, pictures of churches, one of the Coxhoe signs, the big wheel, the railway gates, maybe even the Miners' Banner. Or anything else you can think of!

Pictures should be line drawn, not coloured in, in pencil or black pen please.

They should be named either on the back or sufficiently away from the drawing so we can crop as needed. We have lollies for everyone who takes part, prizes for the best drawings and the very best will appear on the bag! Children currently in the school can take part, as can older siblings and even parents if they wish.

Many thanks for all your support with this and with all we do. We are looking forward to seeing your amazing pictures.
