

Dear Parents/Carers,

On 7th February 2020, we will be supporting the NSPCC National Number Day. This means that we are asking children to 'Dress Up for Digits'. We would like to invite all children to come into school dressed in anything that represents a number, whether it is a number on a t-shirt or you want to dress up as a calculator or a dice! All we ask is that you offer a suggested £1 towards the NSPCC charity.

As well as this, classes 3-12 will be taking part in a sponsored Rockstar Marathon. This will involve every class having at least one child on TT Rockstars/Numbots at every point of the day.

The most exciting part of our day is going to be our very own Coxhoe Flashmob to 5, 6, 7, 8. Prior to the day, the children will learn a dance to 5, 6, 7, 8 and whenever they hear the song play throughout the day, everyone will stop what they are doing and perform the dance. Best of all, we will be showing off our dance to all of the adults at the end of the school day. The NSPCC mascot, Buddy, is also going to join our dance. Classes 1-6 will perform their dance on the yard at 3:10 and classes 6-12 will perform their dance at 3:25. We hope to see you all there supporting this cause (charity buckets will be available at the end of the day for any kind donations).

We hope that this will be a fantastic day for all with lots of additional exciting maths activities.

Thank you for your on-going support.

Miss Marsden
